Onaping Falls Curling Club is the 3rd recipient of one of ten donations of \$7,500 as Sudbury Credit Union celebrates 75 years with \$75,000 in donations.

Sudbury Credit Union is celebrating 75 years in the community. To celebrate this milestone year, the credit union will be making 10 special donations of \$7,500 each to local organizations throughout the year. One recipient will be announced each month, from February to November.

The 3rd recipient of one of the ten anniversary donations is the Onaping Falls Curling Club.

The Onaping Falls Curling Club has been a part of the community for over 70 years. From youth programs and school partnerships, to senior leagues and community bonspiels, the club provides a welcoming environment and promotes physical activity, teamwork and social connections among residents of all ages. It's more than a curling club – it's a gathering place for the community.

The curling club's current refrigeration system, which maintains the quality and safety of the ice surface, has reached the end of its operational life. A modern system will improve energy efficiency, reduce operating expenses, and ensure consistent, high quality ice conditions. The total cost of the project is approximately \$325,000, which the club is hoping to raise through fundraising events, member contributions, grant opportunities and donations from community partners.

"This generous donation is an excellent way to kick off our fundraising campaign to raise the funds needed to replace our club's aging refrigeration system with a modern, energy efficient system that will ensure the long-term sustainability and success of our club. This is a big project for our small community and the financial support of community partners such as Sudbury Credit Union will ensure the success of our fundraising campaign." Doug Keir, Treasurer, Onaping Falls Curling Club.

"We are happy to support the Onaping Falls Curling Club's fundraising campaign for repairs required to ensure that the club remains operational for many more years to come. The Onaping Falls Curling Club is a special part of the community that has become a place for family and friends to spend time together, share laughs, and truly build a sense of community belonging." Mimi Regimbal, CEO of Sudbury Credit Union.
