Sudbury Credit Union donates \$75,000 in celebration of 75 years. Big Brothers Big Sisters of Greater Sudbury is the recipient of the first of ten donations of \$7,500.

Sudbury Credit Union is a locally owned and operated financial co-operative, providing financial products and services to their members throughout the City of Greater Sudbury. Committed to the well-being of their members, employees and community, Sudbury Credit Union has been a supporter of countless local organizations whose work in the community improves the lives of all those living here. This year marks Sudbury Credit Union's 75th year in the community.

To celebrate this milestone year, Sudbury Credit Union will be making 10 special donations of \$7,500 each to local organizations throughout the year. One recipient will be announced each month, from February to November.

The first recipient of one of the ten anniversary donations is Big Brothers Big Sisters of Greater Sudbury (BBBS).

Big Brothers Big Sisters of Greater Sudbury provides meaningful, monitored mentoring relationships that support children and youth in building confidence, resilience, and a strong sense of belonging. Early, preventative mentoring also promotes positive mental health, reduces social isolation, and helps children and youth develop the skills they need to thrive.

"As Sudbury Credit Union celebrates 75 years of serving Sudburians, this donation reflects their long-standing commitment to co-operation, inclusion, and community well-being. Together, Sudbury Credit Union and Big Brothers Big Sisters are investing in the next generation by supporting mentorship as a proven, preventative approach to building a healthier, more connected community." Chantal Gladu-Depatie, Executive Director of Big Brothers Big Sisters of Greater Sudbury.

"Sudbury Credit Union was founded on the principle of People Helping People and we continue to hold that value at the forefront of all we do. There is no better way to celebrate this milestone anniversary than by supporting the community we are so proud to call home. We are thrilled to support Big Brothers Big Sisters in providing mentoring relationships that help children and youth build stronger, healthier futures." Mimi Regimbal, CEO of Sudbury Credit Union
