**Pregnancy Care Centre & Infant Food Bank is the 6<sup>th</sup> recipient of one of ten donations of \$7,500 as Sudbury Credit Union celebrates 75 years with \$75,000 in donations.**

Sudbury Credit Union is celebrating 75 years in the community. To celebrate this milestone year, the credit union will be making 10 special donations of \$7,500 each to local organizations throughout the year. One recipient will be announced each month, from February to November.

The 6<sup>th</sup> recipient of one of the ten anniversary donations is the Pregnancy Care Centre & Infant Food Bank.

For nearly 30 years, the Pregnancy Care Centre & Infant Food Bank (PCCIFB) has been a trusted source of hope and practical support for expectant parents and families with infants throughout Greater Sudbury. Established in 1996, PCCIFB is a registered charitable organization dedicated to providing free essential baby supplies, infant nutrition, parenting education, and community resources to families experiencing financial hardship or unexpected challenges. Operating without government funding, the Centre relies on the generosity of individuals, businesses, churches, service clubs, and community partners to continue its mission.

Over the past three decades, PCCIFB has helped thousands of local families by ensuring babies have access to the necessities they need for a healthy and safe start in life. As the demand for services continues to grow each year, the centre remains committed to serving families with compassion, dignity, and respect while helping build a stronger, healthier community for future generations.

"We are incredibly grateful to Sudbury Credit Union for this generous investment in our community. This \$7,500 donation will directly support our Infant Food Bank, our most accessed program, by helping us purchase essential items such as infant formula, baby cereal, purées, healthy snacks, diapers, and wipes. These are necessities that many families simply cannot afford as the cost of living continues to rise.

In addition, a portion of this donation will help us begin reducing our growing wait list for baby safety gates. Every day we see families doing their best to provide a safe and healthy environment for their children, and community support like this allows us to respond when they need us most. On behalf of the families we serve, thank you to Sudbury Credit Union for helping ensure local babies have the essentials they need to thrive." Cherie Bonhomme, Executive Director, Pregnancy Care Centre & Infant Food Bank.

We are happy to support the centre's vital programming to help keep our youngest community members healthy and thriving." Mimi Regimbal, CEO of Sudbury Credit Union.
