Our Children, Our Future is the 5th recipient of one of ten donations of \$7,500 as Sudbury Credit Union celebrates 75 years with \$75,000 in donations.

Sudbury Credit Union is celebrating 75 years in the community. To celebrate this milestone year, the credit union will be making 10 special donations of \$7,500 each to local organizations throughout the year. One recipient will be announced each month, from February to November.

The 5th recipient of one of the ten anniversary donations is Our Children, Our Future / Nos enfants, notre avenir.

Our Children, Our Future / Nos enfants, notre avenir (OCOF/Nena) is a local not-for-profit charitable organization dedicated to supporting the health, well-being, and success of children, youth, and families across the Districts of Sudbury and Manitoulin. Through programs focused on food security, healthy eating, community engagement, and family support, OCOF/Nena works to meet the diverse needs of children and families while ensuring that every child has access to nutritious food, meaningful opportunities, and the resources needed to thrive.

One of OCOF/Nena's key initiatives, the Healthy Food for Kids program, provides nutritious food to children and families experiencing food insecurity. Through this program and other community-based outreach efforts, OCOF/Nena supports thousands of children and families each year, reaching rural, remote, and underserved communities throughout the region. By addressing immediate needs while fostering long-term health and well-being, OCOF/Nena is helping to build healthier, stronger, and more resilient communities for generations to come.

"We are incredibly grateful for community investments that help us continue supporting children and families facing food insecurity. This \$7,500 donation towards our Healthy Food for Kids program and the purchase of our outreach vehicle will have a direct and lasting impact on our ability to deliver nutritious food, expand outreach into rural and underserved communities, and ensure more children have access to the resources they need to thrive. Reliable transportation is essential to our work, and securing this vehicle will strengthen our ability to serve families across Greater Sudbury for years to come. Thank you for helping us make a meaningful difference in the lives of children and families in need." Sierra Pothier, Director of Finance and Corporate Services, Our Children, Our Future / Nos enfants, notre avenir
